March 2017

Dear Tenakill Swim Club Members,

This is the letter you've all been waiting for! Summer is right around the corner and before you know it, we'll be open for business!

The Board of Trustees happily looks forward to seeing all of our members throughout the coming season. We would like to start by noting that we are in the process of hiring a new Head Manager. However, we are thrilled to report that both Rob and Holly will be returning as Asst Managers.

To find our calendar and listing of our special events, click on our website, www.tenakillswimclub.com. Opening day is Saturday, May 27, 2017 at 1pm.

Even though our operating expenses have risen once again, and we must undertake some structural improvements (see below) we are pleased to inform you that Membership dues—our main source of income—remain the same as last year. Amazingly, the cost of enjoying our pool and all our facilities is a mere **\$8.00 a day**.

In preparation for Summer 2017, we are implementing your suggestions and comments. Here are some of the significant improvements you can look forward to:

- We are adding in-ground sprinklers to all the grass areas to help keep them greener longer through the hot summer
- Eating inside the club at the Snack Shack will continue. The tables will all have umbrellas.
- We will have a staffed snack shack but are still working on the details whether we will handle it all again this summer or have a vendor manage it
- We are replacing many of the toilets in the bathrooms—YEAH!!
- We have added more family-friendly, fun events
- We are repairing most of the lounges, chairs, and umbrellas
- Upgraded communication tools keep you informed including our improved website, targeted email blasts, and our Facebook page

To take advantage of the Early Bird Rate, please be sure to return your completed invoice and payment by **May 5th**. An incomplete form may result in a delay of your membership privileges. Membership categories are defined as follows:

- ✓ A family is defined as the parents or parent and all unmarried children up to age 25 living in the household.
- ✓ A senior couple is defined as the applicant and spouse, one of whom must be at least age 65. A senior individual is defined as any adult age 65 or older.

We accept payment by check or credit card. If you use the convenience of a credit card, we will add a 5% processing fee to the total amount you indicate on your invoice. You will receive an electronic payment receipt to confirm your membership renewal. Be sure to provide your email, as all our major communications are being facilitated via email.

We continue to offer special passes for caregivers and guest passes so you can invite non-member friends and family to join you at the club. Guest passes must be presented by the member along with their membership card. Members are required to remain at the club throughout their guest's visit.

Please respond in a timely manner as there are limited spots available.

We look forward to seeing everyone for another great season!
